

# Welcome To Fifth Street Presbyterian Church

*Our purpose for meeting together today is to meet with our Lord as a body of believers. We meet that we might hear Him speak in the reading and preaching of His Word. And, we meet to respond to His voice in our songs, prayers, and affirmations. In the ordinary worship of God we find extraordinary grace, encouragement and reason to hope. This corporate worship of God is the most important thing that happens upon the earth and we are delighted to have you with us as we approach the Father in Christ's name by the power of the Holy Spirit.*

## ANNOUNCEMENTS

The Women's Ministry Bible Study meets this Tuesday morning at 10:30 a.m. at the church in the Olivet Sunday school classroom.

We invite you to come join the Ladiesø evening Bible Study. We will meet at Jane Simmonsø home Thursday at 7:15 pm. The study will be the Heidelberg Catechism.

We are thankful to God that Fifth Street is a safe place for children and by Godø grace we will do all we can to protect our children. We have sound policies for the nursery and we require background checks for all nursery workers. With an increasing presence of predators in our world we must act with wisdom and prudence. We will do all that we can to make our church safe. There is, however, one thing that you parents can do that will add another layer of safety. We are asking that when children leave the sanctuary to go to the bathroom that they be accompanied by a parent or an adult of the parentø choice. A good time to do this would be while the choir is leaving the choir loft then you can return with the choir from the rear. We realize that this is a bit of a bother but since we do not have bathrooms in the narthex we think it would be a good practice.

**Building Blocks for a Biblical Worldview:** We need some social media help. As we move toward our Spring Bible Conference we are asking for some help advertising through social media. The conference is on the biblical building blocks for a worldview found in Genesis 1-3. How you understand these three chapters will determine how you understand the political and ethical issues that swirl around us as in our fast changing culture. So please plan to join us and invite a few friends. And please pass the information along on the various types of social media that you have access toø we like free advertising. More information is available on our web site. The Conference is March 18-20 and the speaker is Rev. Todd Pruitt. The Schedule is as follows.
