He is married to Karen and they have three children ó Kate, Ryan, and Matthew.

Church membership classes are held periodically for those interested in finding out more about our church and ministry. If you are interested in membership here or just want to know more about us please speak with the pastor. We are planning to begin a class in April.

If you are not on our email prayer chain or our email notification list you may sign up by emailing the office. To use the prayer chain list just email your requests to Pray@fifthstreetpca.org from the email address you signed up with. Both lists are limited to active attenders of our church so you know who will receive your requests.

Michael Hampton, Clint Covington, Mark Covey, and John Covington have been nominated for office (elder or deacon) and will begin training classes on March 23. If these men are willing to serve after the training and if they sustain their exams they will come before you for election in May. Between now and May we encourage you to make it a point to get to know them so that you can vote with some understanding of who these men are and what they believe.

Books for free! We just received a stack of books that are part of the Puritan Paperback Series. This series takes some of the great Puritan works and shrinks them down and soothes them out for modern readers. These books have been added to the öBooks to Tradeö table where you can take a book to read and pass it on to somebody else or return it to the table. These books along with our books to buy and books to borrow are in the church library on the north side of the church.

Concerning the Bible Conference: If you missed one or more of the Bible Conference messages you should be able to access them through our web site in the near future. www.fifthstreetpca.org.

Welcome To Fifth Street Presbyterian Church

Our purpose for meeting together today is to meet with our Lord as a body of believers. We meet that we might hear Him speak in the reading and preaching of His Word. And, we meet to respond to His voice in our songs, prayers, and affirmations. In the ordinary worship of God we find extraordinary grace, encouragement and reason to hope. This corporate worship of God is the most important thing that happens upon the earth and we are delighted to have you with us as we approach the Father in Christ's name by the power of the Holy Spirit.
