

Welcome To Fifth Street Presbyterian Church

Our purpose for meeting together today is to meet with our Lord as a body of believers. We meet that we might hear Him speak in the reading and preaching of His Word. And, we meet to respond to His voice in our songs, prayers, and affirmations. In the ordinary worship of God we find extraordinary grace, encouragement and reason to hope. This corporate worship of God is the most important thing that happens upon the earth and we are delighted to have you with us as we approach the Father in Christ's name by the power of the Holy Spirit.

ANNOUNCEMENTS

July 24, 2016

Mark your calendar for our quarterly Fellowship Meal Luncheon after the morning worship on August 7. This is always a great time for fellowship around a meal. Please bring food to share and feel free to bring a guest; it is a great way to introduce others to our church family.

Please join us for worship this evening at 5:00 p.m. and stay for our fellowship meal. A fellowship meal follows our evening service on the second and fourth Sundays.

Session in Review

1. The Session meeting opened with Scripture and Prayer.
2. Session spent time discussing the shepherding of our congregation and then in prayer for the congregation.
3. Session has decided to begin serving the Lord's Supper twice a month on the first and third Sundays. We will begin this after the pastor returns from sabbatical, in October.
4. Beginning next summer we will be combining the adult Sunday school class with the Jr. and Sr. High class for a summer study of the Westminster Confession of Faith. This study will take two summers, will cover the entire Confession, and will be taught by several men of our church. We believe this will be a great opportunity to strengthen our grasp of what we believe in a context that encourages more interaction from the whole family. In preparation for next summer we have decided to try to work out some of the bugs by doing something similar for the month of October. More information coming.
5. Session discussed the possibility of starting ESL classes that would look toward the community as well as needs that exist on the campus of TJC. We are just beginning to look into this but if you are interested, please let the Pastor know and he will keep you updated.
