

# Welcome To Fifth Street Presbyterian Church

*Our purpose for meeting together today is to meet with our Lord as a body of believers. We meet that we might hear Him speak in the reading and preaching of His Word. And, we meet to respond to His voice in our songs, prayers, and affirmations. In the ordinary worship of God we find extraordinary grace, encouragement and reason to hope. This corporate worship of God is the most important thing that happens upon the earth and we are delighted to have you with us as we approach the Father in Christ's name by the power of the Holy Spirit.*

## **ANNOUNCEMENTS**

**August 21, 2016**

Notes from Session:

1. Because the pastor will be out the first Sunday of September we have shifted communion to the last Sunday of this month. Also, beginning in October we will be serving communion twice a month on the first and third Sundays.
2. Session is asking for some help in setting up for communion. We would love to have at least four teams that could come in on Saturday sometime and set up the wine and bread putting it in the refrigerator and then putting it out on Sunday morning. Please speak to the pastor or one of the elders if you would be willing to help.
3. Beginning in September our stated monthly Session meetings will begin at 6:00 p.m. rather than 7:00 p.m..
4. As always we were able to spend some time praying for the membership needs both physically and spiritually. Some of the needs that we would invite you to join in praying for include: Continued recovery for Fred, Beth, and Rosie. School beginning for our college students and students being home schooled or in private or public schools. Also, we would appreciate your prayers as we discuss the possibility of ESL classes (ESL-English as a Second Language) here at Fifth Street. We believe this may be a wonderful opportunity to reach not only people in the Tyler community but international students on the TJC campus. Pray that the ESL, if God's will, would open the door to TJC students.
5. An invitation—If you are interested in reaching the TJC campus or the community through ESL classes please speak with the pastor. We need all types of help from teachers to support staff to hosts to refreshment providers and we would love to talk to you about the possibility. We are looking toward 2017 as a startup date. The class will be unapologetically Christ centered with a goal of not only helping those in attendance with their English skills but also introducing them to the gospel and our church. Also, the only language anyone will need to know in order to help in any capacity is English. Not sure? Have questions? Lets talk.
