

Welcome To Fifth Street Presbyterian Church

Our purpose for meeting together today is to meet with our Lord as a body of believers. We meet that we might hear Him speak in the reading and preaching of His Word. And, we meet to respond to His voice in our songs, prayers, and affirmations. In the ordinary worship of God we find extraordinary grace, encouragement and reason to hope. This corporate worship of God is the most important thing that happens upon the earth and we are delighted to have you with us as we approach the Father in Christ's name by the power of the Holy Spirit.

Chapter 47 in the Book of Church Order has some helpful reminders about public worship and we have been including them as space has been available. Here is the next installment:

3. The end of public worship is the glory of God. His people should engage in all its several parts with an eye single to His glory. Public worship has as its aim the building of Christ's Church by the perfecting of the saints and the addition to its membership of such as are being saved – all to the glory of God. Through public worship on the Lord's day Christians should learn to serve God all the days of the week in their every activity, remembering, whether they eat or drink, or whatever they do, to do all to the glory of God (1 Corinthians 10:31).
4. Public worship is Christian when the worshippers recognize that Christ is the Mediator by whom alone they can come unto God, when they honor Christ as the head of the Church, who rules over public worship, and when their worship is an expression of their faith in Christ and of their love for Him.
