

Text Giving is now available for First Baptist using the same system as our online giving.

Enter keyword: fbcfortmillgiving and the amount you want to give

Text giving processes just like our online giving. The same funds that are available in online giving are available in text giving, ie., Budget, Faith Commitment Offering, Benevolence, etc. It takes about 2 minutes to set up your payment method the first time which is saved for future text gifts.

You'll receive an instant message back that says "You're almost there. Click" and you will click a link to set up the payment type. It allows you to select from the available funds. Once you've set up the payment method and picked the fund you will receive a text with a receipt # and a thank you for your gift of (amount) to First Baptist Church.

The following three fund keywords make it quicker once you're set up. Budget Receipts = Budget; Faith Commitment Offering = FCO; Building = Build. If you would like to give \$100 to the building fund you can text the following: fbcfortmillgiving build 100 and it will automatically go toward the building fund. If you text: fbcfortmillgiving 100 - it will default to the Budget Receipts fund.

Contact the church office if you have questions concerning text giving!
