California Kenyan Pastors Tour:

Some pastors in our California Convention have been planning a special tour with Baptist Pastors and Convention leaders from Kenya. Our part in this tour will take place from **Oct. 17th** until **Oct. 21st**.

On Wednesday night my wife and I will pick up Pastor **Peter Ajemo** in Santa Nella, so Mike Dalton will be leading Bible study. Pastor Ajemo will spend the day with me on Thursday the 18th, we will attend a Pastor's prayer time in Patterson from 9-10am, and our **Men's Bible Study** at 7pm. On Friday, I will take him to see our Gateway Seminary Extension Campus in Fremont. On Saturday, the 20th he will speak at our **Men's Breakfast** here at church. On Sunday, we will have him in our **Adult Sunday School** class and he will preach in our **AM Worship Service**. That evening we will go together to the Annual Meeting for our Association in Turlock. On Monday, we will go together to the California Southern Baptist Convention in Clovis.

I hope that many of you will take advantage of your opportunity to meet Pastor Peter Ajemo when he is here.

Annual Family Meeting:

Our Annual Meeting will be on Wednesday, October 24th @ 7pm. We will be hearing reports of what God has been doing among us in this past year, and we will also be planning for the year ahead. If you are a member, please make it your priority to be here with us for this special meeting.
