

Panther Lake Elementary School Food Drive

Hunger doesn't take a Spring Break.

Many children at Panther Lake Elementary School do not have enough food to eat and often miss meals when they are not in school. More than 70% of Panther Lake students receive free or reduced price lunches. When a school break arrives, the children usually go hungry.

Thanks to our church's generous support last year, many children were provided meals so that they did not go hungry. Once more I would like to offer this opportunity to help kids in our community. Your participation is welcome and appreciated! If you are able, please purchase some or all of the following items:

- Tuna salad packets (single serving)
- Cereal Bars/granola bars
- Snack-type foods
- Top Ramen
- Mac and Cheese
- Shelf-stable milk, individual serving boxes (flavored is OK)
- Cold cereal boxes/bowls (individual servings)
- Hearty soup (heat and serve, not canned)
- Pudding Snack packs
- Whole grain crackers (smaller boxes are preferred)

Foods which are lightweight enough to place in student backpacks

Collection bins will be out until March 25 and are located in the Lobby, and by the Resource Room, or you may bring donations to the Church Office Tuesday through Thursday.

Thank you!
Debbie Green
Director, New Hope Kids
