

SUMMER 2019 THEME:

FOLLOW

“Come follow me and I will make you fishers of people.” Jesus’ call is the same for us today as it was for his early disciples. And the first step in leading the cause is to follow the leader. Are you in?

ABOUT DARE 2 SHARE AND SONLIFE

Dare 2 Share and Sonlife have partnered to put on Lead THE Cause. This collaboration brings together the best of both ministries’ core training and philosophies in order to provide a practical strategy for building youth ministries that are focused on the life of Christ and have disciple multiplying at their core.

Dare 2 Share

Dare 2 Share believes that to truly make teens disciples of Christ, we must raise the bar spiritually, calling them to make a difference by taking Jesus Christ and His cause to reach the lost - THE Cause - seriously. Since 1999, Dare 2 Share has been offering evangelism training conferences, free resources online, youth leader training, books and other tools for youth ministry and evangelism since 1999. A God-sized vision drives our efforts, to see every teen everywhere hear the gospel from a friend. With 1 billion teenagers worldwide, this is no small feat.

Sonlife

Sonlife trains, coaches and mentors leaders, providing a fresh encounter with Jesus as our model for making and multiplying disciples. By creating in-depth training and equipping resources, hundreds of thousands of leaders in ministries of all shapes and sizes have been awakened to the power and simplicity of Christ’s strategy. Over 50 organizations globally have identified Sonlife as their training partner. Generations of disciple-makers have been multiplied and sent out into the harvest field.
