

Announcements for the week of 10/14/18

Battle Shields Up!

Throughout October, your shepherds are requesting you pray with them for God to bless us with revival. Having been through difficult times, there are signs that God is preparing to pour out blessings on us. Each Wednesday, Pastor Reed will send a prayer letter focused on our church's needs and opportunities. As you are able, please fast from one meal that week, and use that time to pray with us.

Do you sometimes struggle with knowing how to have really effective personal worship, or how to lead your family in worship at home? Let your shepherds help. On Friday evening (November 2nd), from 6pm to 8pm, we will have training on how to have more effective personal and family worship. All are welcome and encouraged to attend (especially members).

11/11 Mercy Offering

Today's Mercy Offering (11/11) – will go to support our Presbytery's church planting ministry Ministry to the Military and Internationals (<http://www.ministrytothemilitaryinternational.com>). This ministry plants PCA churches near U.S. military bases around the world, supporting both our military families and nationals living near the bases.
