Mailing Lists

We now use mailing lists for most routine email communication, which will allow users to subscribe and unsubscribe from some types of messages. This also allows users to control which email addresses receive which type of communication. Visit "Mailing Lists" under "Events" on our church website for more information.

New Calendar (updated 2/16/19)

Check out our official church calendar under "Events" on the website at <https://www.chantillychurch.com/calendar>.

Step-by-step directions are at the bottom that will walk you through subscribing using your handheld device or PC, which will cause church events to show and update automatically in whatever calendar app or software you are using.

Pastor's Movie Night (Feb cancelled)

(02/22 cancelled)
