Picturing & Applying Noteworthy Originality & Renewing A Ministry's Aim

## What is project panorama?

It is a focused guide for every student and parent to be in the know of how the youth ministry will continue to move forward during a transitional time.

The present "picture" may seem dim; but as the greater picture is developed, the youth, parents, and church family will exercise innovative ways to envision a great sight in the horizon: a clear, expanded & renewed youth ministry.

Project panorama will serve as a transitional program offering youth programming through August 12, 2018. If more time is needed, project panorama will extend its view!

## Picture you here!

First-time visitors and guests are always welcomed!

Once a student chooses to return, he or she will be offered to connect in a better way. After a third visit, a student will complete a registration packet to ensure the safety and protection of all.

Returning students who attend & participate in youth programs are expected to engage in one of the worship experiences offered every Sunday at FUMCCG.

For worship service times, go to [fumccg.org](http://fumccg.org)

## All students:

6th-grade students through 12th grade

Check out either the contemporary service at 9:30 am in a casual atmosphere and good music, or the 11 Latin-American service, celebrating Latino roots with good music before you go to the youth lounge following the services

All active youth members must have every year an updated registration packet completed. This ensures your safety and peace of mind for your parents! Please go to [fumccg.org](http://fumccg.org), click on Get Involved, click on Youth, and there it is!

## Picturing & Applying Noteworthy

High school students, 9th-12th grade

5-week series: "Yesterday's Picture, Tomorrow's Panorama"

1) Sunday, April 8th, Guest speakers: Jim Morgan

2) Sunday, April 15th Kristin Rozier

3) Sunday, April 22nd Scott Howard

4) Sunday, April 29th Jack Edwards

5) Sunday, May 6th Simone B. Gumbs

Ministry's Aim:

Discover how every created being has a unique story.

Past experiences, good and bad, can deepen our faith in Christ and expand our view. How can a one-dimensional picture evolve to a panorama? Imagine your developing story? Imagine looking back; imagine looking forward! Live and learn and Learn to live!

Location: Youth room

12 pm (noon) to 2 pm)

## mid-high, 6th- 8th grade students

Sunday, April 8th through May 6th (5 weeks)

Students in 6th grade through 8th grade will attend the Confirm series, 12:15 to 1:30

Room 123, we'll help you find it!

More to come!

Ministry Aim: Explore who is God, the meaning of your life, and how to grow in faith way over fear!
