VOLUME 6

APRIL 2019

NO. 42

For thirty-six years we have been enabled by the Lord to broadcast the glorious gospel of Jesus Christ here at the *Where God Is Blessing Broadcasting Network*. In the beginning we started out with WGIB 91.9. Then by God's grace we added several translators and WQEM 101.5. We marvel every day at what the Lord has done through these outlets.

Daily we hear from people who are blessed, encouraged and taught by these ministries. One listener from Ontario, Canada said, "I've been a listener of WGIB over the Internet for probably about five years. I really enjoy the programming, especially the music overnight. It truly is a blessing, and it brought me to Jesus. I was saved about four years ago."

From the Birmingham area, a listener said, "For twenty-six years God has used all the great biblical teaching and music to help my family and me grow in our relationship with Jesus. And when I was eight years old I prayed to receive Jesus as my Lord and Savior with Uncle Charlie from Children's Bible Hour. Since that wonderful day, God has continued to use WGIB programs...to keep my walk with the Lord strong and growing. Thank you so much for being such a lifeline and God's blessing in my life..."

We have many who send in prayer requests monthly. Some listeners have said they are "praising

God for answered prayer!" and "Thankful for WGIB—love the music on my way to work each morning!"

These are just a sampling of the responses we receive. It is amazing and thrilling to know the Lord uses WGIB in so many ways. Radio is a powerful tool. It can go almost anywhere. The Lord uses this wonderful means to reach vast numbers of people that you and I will never meet personally.

May 2-3 is the date of our annual Share-a-thon. Please join with us in prayer that the Lord would use this time to raise awareness for the needs of the ministry. As a listener-supported network, we rely on the prayers and financial support of the Lord's people. We sell no commercial time and receive no grants or other support. Share-a-thon is a time to remind our listeners of what it takes to keep us on the air.

While we look to the Lord to supply, we realize that He uses people to do so. We pray Asa's prayer from 2 Chronicles 14:11: "Lord, it is nothing with thee to help, whether with many, or with them that have no power: help us, O Lord our God; for we rest on thee."

Join with us in prayer, in listening and in support during Share-a-thon 2019. May the Lord bless you.

Your servant,  
Chris Lamb

## SHARE-A-THON

THURSDAY & FRIDAY, MAY 2-3

## FROM OUR STATION MANAGER

Christian radio can be a significant source of spiritual help for today's Christian. Many of our listeners tell us WGIB is their daily companion. Some say they keep their radio set to WGIB all day. Others tell us they leave their radios on all night. Of course, we know most of our listeners have busy schedules and that they can only listen to radio "on the go." But no matter when you listen or for how long, we encourage you to include WGIB in your daily schedule. Also, let me encourage you to set your car radio presets to one or more of WGIB's broadcast frequencies. If your travels in the Birmingham area take you outside a particular range, you can quickly alternate between 91.9, 101.5 or one of our six translators listed in the block below. Also, many stream WGIB on their computers, tablets or smart phones via the Internet or the Glen Iris Ministries app.

We are thankful that our daily broadcast schedule includes a wide variety of programs that address the spiritual needs of men, women and children of all ages. Whether it's biblical exposition, biblical application, devotional insights or interviews with other Christians who, like you, are "in the trenches" of spiritual warfare, you'll find that our wide array of broadcasters cover a gamut of Christian living issues. Second Timothy 3:16 tells us that "All scripture is profitable..." Although listening to the radio is not a substitute for church attendance or daily bible reading and prayer, listening to Christ-exalting preaching and teaching is a wonderful way to reinforce the biblical lessons that God is teaching us through His Word. The faithful preaching of God's Word wherever it is heard is always on target to address the issues of life and will profit you in your walk with the Lord. Also, Christian radio is a great place to listen to Christ-honoring music and is a good way to maintain a godly atmosphere in your home.

Here's a quick overview of some of the daily resources available on WGIB. Programs geared toward women include *Take It to Heart*, a daily devotional by Christin Ditchfield, and *Revive Our Hearts* with Nancy DeMoss Wolgemuth, which addresses a variety of spiritual issues in a biblical and compassionate way. On the weekend, *Think on These Things*, hosted by Charlotte Thornton, is another program for women. Some of the unique programs on WGIB include the daily devotional program *Morning and Evening*, adapted from the devotional writings of Charles Spurgeon; the *Midday Music Hour* with Johnny Brock, which gives our listeners an opportunity to call in their personal song requests; and the *Pillars of Preaching* program, which features great preaching

by some of the greatest preachers from this century and the last. Each evening, we present fifteen minutes of Scripture reading by Alexander Scourby. This daily Bible reading systematically takes us through the entire Bible in just over one year's time. For the children are programs each afternoon at 3:15 and on Saturday mornings beginning at 7:30 a.m. These offer Bible stories and dramas that cover a wide range of interests. Saturday evenings include time for families to enjoy two continuing series of Christian dramas: *Focus on the Family Radio Dramas* and the *Lamplighter Theater*. This is followed by *Scripture and Song*, a program of Bible reading intertwined with inspirational songs centered on biblical themes or doctrines. This half-hour program produced by WGIB is designed to promote personal Bible reading and worship of Christ. It is repeated each Sunday at 5:00 p.m.

WGIB produces eight other programs heard throughout the week: the *Midday Music Hour* with Johnny Brock; *Pillars of Preaching*; *Think on These Things* [all previously mentioned]; the *Help and Hope Broadcast* with Harlan Begeman; the *Brush Arbor* program with WGIB founder Dr. Jack LeGrand; the *After Church Fellowship* program with Chris and Kathi Lamb, which gives listeners an opportunity to fellowship, sing and share prayer requests with the wider radio audience; *Sunday School of the Air* and the *Glen Iris Hour*, both live broadcasts taken from the teaching and preaching services of Glen Iris Baptist Church.

In Second Timothy, chapter three, believers are promised to find profit through the study of God's Word. Verse seventeen tells us that God's Word will perfect or complete us and will result in good works. It is our prayer that the preaching and teaching of God's Word heard on WGIB will complement the ministry of the local church and that the personal Bible study of each listener will result in good works in his life for the glory of God.

Each and every day [as well as through the night], the *Where God Is Blessing Broadcasting Network* has the wonderful opportunity to share God's Word with anyone who tunes into one of our six broadcast frequencies or who listen via our Internet stream or app. Thank you for partnering with us as we broadcast these "profitable" programs 24/7.

Please let us know when you are usually listening to WGIB. Why not let us know by calling us during Share-a-thon, May 2-3?
