

Life Groups: Connecting people to God, His Word, and One Another

Questions based upon Kevin's message on June 3.

CONNECTING PEOPLE TO ONE ANOTHER:

- 1) Have you ever been given a family heirloom that you plan to pass down to one of your children? What is it? Tell us about. Who do you plan to pass it down to?
- 2) What piece of advice would you like to pass on to your children or the next generation?
- 3) We encourage everyone who believes in Jesus to be baptized. If you have been baptized, tell us about that experience. Who baptized you? How old were you? Where were you baptized at? *(Next baptism service is June 10. More info on our website).*

CONNECTING PEOPLE TO GOD'S WORD: Read 2 Tim. 2:1-2.

- 1) How did Paul refer to Timothy? What did he call him? Why?
- 2) What did Paul encourage Timothy to do with what he had been taught?
- 3) How do these verses apply to your life right now?

CONNECTING PEOPLE TO GOD THOROUGH THE SERMON AND PRAYER:

- 1) How does graduation Sunday relate to 2 Tim 2:1-2? Do you know any of the seniors or other graduates? What were you thinking during the senior slide show?
- 2) What did you think of Kevin's opening video of the USA track team? What happened to the 2008 women's team? Have you ever been on track and field relay team? Tell us about it.
- 3) What are some of the track and field relay rules that Kevin talked about? How did Kevin apply them our spiritual relay race? What were Kevin's 3 main points?
- 4) What else did you write down in your sermon notes? How did God use this message to speak to you?

APPLYING THIS LESSON:

Kevin Brown preaching this sermon is a great testimony to how our church has applied 2 Tim. 2:1-2. GMC has two youth pastors that grew up in our church. Many Sunday School teachers, Breakout Group leaders, and youth pastors invested into them in addition to their incredible Godly families. Now they are leading the youth ministry and investing into students. How can we continue to entrust the Word of God to students at GMC who will teach others? What do we need to do as a church to continue to see that happen? How did we do at investing into this year's senior class?

Who are you investing into? How can a parent use their 936 marbles to the max?

PRAYER: How can we pray for you tonight?
