**Parenting for the Glory of God**

Pastor Chuck Lambert  
Rooms 222-223  
7:00-8:00

Raising children in a society that is becoming more and more openly hostile to God can be a challenge and we all could use some encouragement and instruction as to how to do this in a God-honoring way. Over the next 6 weeks, we are going to see what God has to say about His design for the family. We will see how the family plays a major role in the proclamation of the gospel in our culture. We will learn the importance of instruction and discipline, the necessity of reaching your child's heart, and how the Gospel informs all of family life. All of this is to be for the glory of God as we strive to make His name known to those around us.

**Grace Bible Institute - Christology**

Pastor Blake Gillen  
Worship Center  
7:05-8:00

As we continue our Grace Bible Institute, which is our three year class on Basic Bible Doctrine, we come to an important study of our Savior. We are exhorted in 2 Peter 3:18 to "grow in the grace and knowledge of our Lord and Savior Jesus Christ." This class will help you grow in your understanding of the the preexistence and eternity of Christ, Old Testament prophecies about Christ, His humanity, deity, and incarnation, as well as the issue of His temptations and sinlessness, His death, resurrection, ascension and exaltation, return, and more. This will be an exciting study.
