

## **Equip Wednesday Night Adult Ministry Fall 2018**

September 19 - November 14

### **Hebrews**

Teacher: Michelle Ruhlmann (For Ladies Only)

Room: 224 from 6:45-8:00

We are gearing up for the fall session of Every Woman's Grace bible study and we will be continuing our study of Hebrews starting with Hebrews 6. Come join us in our time of fellowship and encouragement in the Word. If you are new to the study, we will be having a review session of Hebrews 1-5 during the first lesson so that you will feel more connected with the study! For those returning, the review will refresh our minds before we dive back in to our study. The Tuesday morning class is from 9:00 -11:00 am with childcare provided and the Wednesday evening class is from 6:45 - 8:00 pm. Notebooks will be available at the welcoming desk and during class for anyone wishing to join us. We would love to have you join us! If you have any questions, please feel free to contact Michelle at 620-727-7180.

### **Grace Bible Institute - Pneumatology (Study of God the Holy Spirit)**

Teacher: Pastor Blake

Worship Center from 7:05-8:00

The Grace Bible Institute (GBI) is a three-year Wednesday night study for adults through nine major Bible doctrines. Why is studying sound doctrine so important? Kent Hughes writes, "The words "sound doctrine" are used by Paul to refer to the teachings passed on and approved by Christ's apostles, teachings meant to guard and guide the church (1 Timothy 1:10; Titus 1:9).

Learning and living sound doctrine is foundational for a life that pleases God. This fall we have the privilege of doing an 8-week study on Pneumatology - the study of the Holy Spirit. This class is designed to help you think right about the Person and work of the Holy Spirit and to have a greater appreciation for His work in your life. If you have any questions, please contact Pastor Blake at [blake@gbchutch.com](mailto:blake@gbchutch.com).

### **Living a Life of Hope: Staying Focused on What Really Matters**

Teacher: Pastor Chuck

Room: 222-223 from 7:00-8:00

Of the 3 Christian virtues that we read about in 1 Corinthians 13:13-faith, hope, and love-hope is the one that often gets most overlooked. Over the next semester on Wednesday nights, we are going to take a look at this all-important virtue. We will study some of hope's many benefits and blessings. I invite you to join me as we look at the basis and essence of hope, study the hope we have in and through some of the many promises of God, and discuss hope's practical implications in our everyday lives.
