

**Grace Family Night Winter Adult Classes  
January 9-February 27**

**How to Study Scripture  
Pastor Chuck  
Room 224 - 7:00-8:00pm**

2 Timothy 2:15 is primarily written for a young pastor, but it applies to every believer as it relates to handling God's Word, "Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth." Living right for the glory of God flows from right thinking from His Word. In this class you will learn principles for handling Scripture the right way. You will be shown how to study each area of the Bible from both the Old Testament and the New Testament. This class will give you the tools you need to get God's Word right so you can live right for God's glory and your good.

**Grace Bible Institute - Anthropology (Man) and Hamartiology (Sin)  
Pastor Blake  
Worship Center - 7:05-8:00pm**

Martyn Lloyd Jones says, "If the basic idea of what man is is a mistaken one, so of necessity will be the view of his troubles and what can be done for him." Maybe you've noticed how Satan has launched his attacks both inside and outside the church in our day on the beginning of the Bible. Creation, gender, marriage, sin, are all coming under attack in our day. Does it really matter? If Satan can get us off track in the beginning of Scripture it is very hard to get back on track. A right understanding of Christ begins with a right understanding of creation (See Acts 17:22-33). This class will be helpful for everyone who wants to know the truth about creation and the fall as we focus on an overview of Genesis 1-11.
