GBC Reformation Concert 2018: "Psalms - Grace that Sings"
Grace Baptist Church Sanctuary | 27 October 2018 (Saturday)

We have been blessed to be able to embark on our 3rd Reformation concert as a church family!

This year, we will centre around the Psalms that reveals the heart of a Christian - we cry out, pray, and worship in sincere faith. Yet, amid the choking cares of life, our confidence in God can be shaken and our hearts can become cold. Praise the Lord that throughout history, hymnwriters have returned again and again to the Psalms to combat fear, anxiety, cynicism, and unbelief. At GBC we can do the same. Grace sings in the Psalms.

Will you pray about being involved – play an instrument, help out, or most of all, *singing*? As before, you do not need to read music or have special training, and as long as you can attend most of the rehearsals, do join us!
