Greetings From An Apostle

Ephesians 1:1-2

1. According to verse 1, who are the saints Paul is writing to? What does this say about who is a saint?
2. Who does Paul bring grace and peace from? What does this imply about who has sent Paul and his authority?
3. Paul claims to be an Apostle. What is an Apostle and what were some of their duties? See: 1 Cor 12:28, Acts 1:21-22,
4. How does Corinthians 12:12 affect our understanding of people who claim to be Apostles today but do no miracles.
5. Since Paul is writing the very words of God, what does that imply about the content of the letter and how we should read it?
