

2/14/16      Courage In Christ      John 16:25-33

1. In verses 26-27, Jesus said that the disciples had a direct line to God the Father because they believed Jesus came from God. How does knowing God the Father loves you change how you pray?
2. In verse 28, Jesus summarizes his life. By saying that he came from God and is going back to God is a claim no one else can make. How does this make Jesus unique among the world's religions?
3. What is Jesus' view on his own destiny with the cross? See verses 31-32. What example does this give us when we endure trials?
4. Based on verse 33, how do you practically pursue peace in Christ?
5. Based on verse 33, how do you practically live a courageous life in Christ? (to overcome, live victoriously)
6. In what ways could we share this message with non-believers?
