The Arrest of Jesus

John 18:12-27

1. Have you ever had to stand up for your faith to people who disagree? What happened?
2. Why do we work so hard at times in life to get our way when God is in control?
3. Do you think Peter was bold to come into the courtyard of the high priest? Why or why not.
4. Have you ever felt like Peter when he denied Jesus 3 times? What encouraged you to turn from this type of sin and restore your relationship with Jesus?
5. How do verses 19-21 encourage you to share your faith in public?
6. When we sinfully fail in life, we can feel like God doesn't have a use for us anymore. What are some examples of God using Peter after his denial? How does this encourage you?
7. Do you feel you could ever be as bold with the gospel as Peter? How so?
