Raised From the Dead

John 19:31-20:10

1. Many of us think of God as in control but live as though life is one big random sequence after another. How do you live?
2. Since Jesus was willing to be humiliated for us (stripped, beaten, mocked) before the cross, what do you think he's willing to do for us now that he is glorified?
3. Does Jesus rising from the dead spur you on regularly, or does the thought of that seem to be more like just a memory that you hold to be true? How should it effect us?
4. What proofs can we give someone for the resurrection of Jesus Christ?
5. How is our faith similar or different from that of Peter and John? See John 20:3-9.
6. Thinking ahead, how would the lives of Peter and John change after the Holy Spirit was fully given at Pentecost?
