*Never Leave Home Without It: Ephesians 6:17*

1. What parts of the armor of God listed in verses 14-17 have you started to work on the last 3 weeks? What would you like to work on more? How could others help?
2. Looking at verse 17, how is salvation a helmet and how does it protect us?
3. How does Ephesians chapter 2 relate to chapter 6:17?
4. How should our "affections" in life change once we become a believer? How does salvation by grace through faith in Christ motivate you in life?
5. Consider Matthew chapter 4. In what ways did Jesus use Scripture to help him fight against the devil? In what ways did Satan use Scripture to fight against Jesus?
6. What are some preliminary steps we must take to be prepared to fight against sin with the Word of God? Which of these steps may people help you with?
7. What was the final temptation Satan used? How is the evangelical world going astray with worship (think beyond musical styles)? How can we as individuals come prepared to worship on Sunday mornings and also prepare our hearts for worship throughout the week?
