#### **Introduction to Nehemiah July 3, 2016**

1. God's word transforms people and nations. How does it do this?
2. A theme of Nehemiah is "the careful reading of God's Word in order to perform His will." What changes might you need to make to put this into practice?
3. Nehemiah served under a foreign unbelieving King. Was Nehemiah able to carry out God's plan? How does this encourage you as you consider our own society?
4. Nehemiah understood the sin of the people and his own house. Let us take some time right now to confess our sins to God in silent prayer and ask God to help us follow him.
5. Sometimes following God will cost us a different lifestyle than the one we currently enjoy. What are some things we enjoy that might take the place of serving God?
6. What does your daily reading in Scripture look like? If it needs an overhaul, consider reading through Nehemiah each week. This will help us to carefully understand his word and move us towards performing His will.
