Christar

David & Vivian Erickson

Christar exists to glorify God by establishing churches among least-reached Buddhists, Hindus, Muslims and other Asians worldwide. The vision of Christar is to cultivate Christ-honoring transformation in communities where He is yet to be worshiped.

David and Vivian joined Christar (then International Missions) in 1983. They were involved in church planting in Mombasa Kenya from 1986-1992; Christar US Sending Center from 1992-1999, and New Personnel Department in Church planting in Fez Morocco from 2001-2014.

David was involved in evangelism and discipleship and hosted an underground church in his home from 2010-2014.

While in Fez, Vivian was also involved with Mobile Member Care Team doing Member Care for some 10 missions agencies who had personnel in North Africa. She is a founding member of North Africa Member Care Network and serves as Women's Ministry Coordinator for the Arab Affinity Group of Christar.

The Erickson's have transitioned out of Morocco and are living in Milford DE. They serve as Member Health Coaches with the International Department of Christar, serving 5 (soon to be 6) sending centers around the world: United States, Canada, Peru, Philippines, Hong Kong and soon India.

How can you be involved? One way is to take a "taste and see" trip to North Africa. Several churches are interested in taking a short term trip to North Africa to learn about the culture and how to witness to Muslims. We will be heading up this trip and if you are interested in joining in, let us know.

Certainly you could be praying for David and Vivian as they adjust to life back in the US and continue their job responsibilities.
