GBI Overview

Purpose

The purpose of Grace Bible Institute is to deepen our understanding and application of the truths revealed in God's Word in order to glorify God and love Him with all our heart, soul, mind, and strength.

"Do not be conformed to this world, but be transformed by the renewal of your mind"
-Romans 12:2

Structure

Grace Bible Institute is structured as a series of Sunday morning classes. Classes generally run from three to thirteen weeks and address a particular biblical topic, theme, or field of study. Classes are always open; sit in for one Sunday or the entire course!

Sunday Evening GBI

Yes, Sunday evening Grace Bible Institute will continue! These new courses are an addition, not a replacement, to the traditional format. Join us Sunday, May 6 from 5:00 - 8:30 p.m. for our next evening session of Grace Bible Institute.

Registration

Sign up online at graceorange.org/gbi. No need to register if you plan to sit in for just one Sunday.
