

Systematic Theology: An Introduction to Biblical Doctrine

Systematic Theology: An Introduction to Biblical Doctrine

Author: Grudem, Wayne

ISBN: 978-0-310-28670-7

Pages: 1264

Hardcover Zondervan

Book Description

The Christian church has a long tradition of systematic theology, that is, studying theology and doctrine organized around fairly standard categories such as the Word of God, redemption, and Jesus Christ. This introduction to systematic theology has several distinctive features:

- A strong emphasis on the scriptural basis for each doctrine and teaching - Clear writing, with technical terms kept to a minimum
- A contemporary approach, treating subjects of special interest to the church today
- A friendly tone, appealing to the emotions and the spirit as well as the intellect
- Frequent application to life
- Resources for worship with each chapter
- Bibliographies with each chapter that cross-reference subjects to a wide range of other systematic theologies.

Editorial Reviews

"As a theology professor at Biola University where our students have to take three semesters of Christian doctrine I feel like I co-teach all my classes with Wayne Grudem. His Systematic Theology provides the core theology content for all my classes and most of the other undergraduate theology courses at the University. It excels in its clarity, readability, and biblically based approach that seeks to get

theology into real life. Systematic Theology consistently accomplishes its obvious goal throughout---to lead the reader to greater knowledge and worship of the God of the Bible.' Talbot School of Theology of Biola University -- K. Erik Thoennes

Author Wayne Grudem is professor of biblical and systematic theology at Trinity Evangelical Divinity School in Deerfield, Illinois. He holds degrees from Harvard (B.A.), Westminster Seminary (M.Div.), and Cambridge (Ph.D.). He is the co-editor of *Recovering Biblical Manhood and Womanhood*.
