Inside every person there is a battle for the affections of their heart. During this conference we will be looking at the different areas (pleasure, power and love) that battle for a man's attention and time. We will identify idols – and hopefully start tearing down the idols – that are keeping us from fully worshipping God. **Register online at: www.gcc-online.org/upcoming-events**

Mike Barter

1. God _____ good. It is who He _____, not just what He does.

2. God is not _____ for evil.

3. We don't _____ God's _____.

God is good assures us that:

God _____ good for us.

It gives us _____ and _____

God is the _____ of goodness

We can have confidence in _____ to God.

God is good — not because he causes things that seem or feel "good" to happen in our lives, but because in the midst of the storm, God comes closer to us than the storm could ever be. - Charles Spurgeon
