Bolivia Church Plant

Currently, 25 adults and 72 children attend services at the church, and three people have made first-time confessions of faith in Christ in the last two months. In the last 60 days, the following steps in the construction process were accomplished: 100% of the concrete foundation was completed and roughly one-third of the ground-floor walls were plastered. For more information and check out pictures of the progress go to: <http://churchplanting.compassion.com/evangelicalchurches-bo0397/2018/08/27/church-plant-update-august-2018/>
