

TAGs – 2018-2019

What Are GFC Truth Application Groups?

These groups are designed to facilitate a context for members to *help one another become more like Christ through fellowship around the preached Word.*

- Some weeks, the groups will review the preached Word from the *previous* Sunday
- Other weeks, the groups will preview and prepare for the Word *to be preached*

Accordingly, much time will be spent talking about the sermon and how it applies to our lives. This is an ideal context for teaching one another, encouraging one another, helping one another, praying for one another, confessing sin to one another, bearing one another's burdens, etc.

Groups normally meet two times a month, for example, the 1st and 3rd Tuesday of each month. Most are from 7:30 to 9 pm – the Brooks and the Simpson TAGs will be from 8 to 9:30 pm. The Freeman TAG begins at 5 pm.
