John 4:43-54: **Healing Faith**

Opening Question

1. Are you more likely to do something for someone that is “important” than you are for an average person? What kind of criteria do you use to decide if you will help someone or not?

Study Questions

Read John 4:43-54

2. What are some of the theories on why Jesus states that a prophet has no honor in his own hometown? What would be considered his hometown?
3. What are the signs and wonders that people were looking for in order to believe? Why do you think that people want them? Don’t just speak superficially about this, but actually consider different reasons that people might have.
4. In the end we see that the whole family believed in Jesus. What does it mean that they “believed” in Jesus? How do we see families affected by a believing parent in other places in the Bible?

Application

5. What area of your life are you struggling to trust Jesus with? How might the group help with that struggle?
