## Other News

*Word & Deed update* - The House of Hope in Ecuador is a center that will support and strengthen the ministries that Dr. Yeny and the Mision San Lucas are currently undertaking with children, adolescents, and women in the most impoverished communities of Quininde. In time, this may include vocational training and housing for visiting doctors and ministry workers, but for now, primary focus is being given to completing a badly needed medical clinic. The clinic will include rooms for consultations, basic dentistry, and a large room for community health classes, eye clinics, and prenatal workshops, etc. This type of preventative community health care affords many opportunities to share God's Word. Please pray that this clinic will soon be operational and that it will be used by God to minister effectively to the physical, emotional, and spiritual needs of those in Quininde.

## Welcome

Thank you so much for coming to worship God with us today. We hope and pray that you will be blessed among us and that you also will be a blessing to us. If you have any prayer needs or if you'd like to know more about our church, one of our pastors or elders would be very happy to speak with you. If you are visiting with us please sign the guest book on the podium in the narthex.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."
