- **Word & Deed Update - Colombia**  
"Family is family!" This was the response of a teenage girl from Colombia when asked whether she would rather still be living in the Tenjo Girl's Home, or living with her family as she currently does. The Child Protection and Family Strengthening Program is entering its third year of operation. This program functions as a replacement for the Tenjo Girl's Home and helps children at risk of abuse by focusing on prevention, detection, intervention, and restoration. The Gospel message is brought to change hearts, by God's grace, and strengthen relationships within families while preventing abuse. Pray that the Lord would continue to bless the social workers, pastors, and families involved in this program for His glory!

## Welcome

Thank you so much for coming to worship God with us today. We hope and pray that you will be blessed among us and that you also will be a blessing to us. If you have any prayer needs or if you'd like to know more about our church, one of our pastors or elders would be very happy to speak with you. If you are visiting with us please sign the guest book on the podium in the narthex.

*"Sing unto the LORD, bless his name; shew forth his salvation from day to day. Declare his glory among the heathen, his wonders among all people. For the LORD is great, and greatly to be praised: he is to be feared above all gods."*
