Other News

Young Adult Book Study - This October, we plan to begin an inductive Bible study on the books of Joshua, Judges, and Ruth. Using this approach, we hope to spend time understanding what the Bible says, finding God or Christ in the passage, and discussing how to live it out in our daily life, with the intended result of a life that honors God more and more. Young adults, please consider joining us every other Saturday as we engage this new study format. We also invite you to the game nights on the alternate Saturdays. Please contact Nate VandenToorn for more information.
