## Route 56 On the Go

A monthly program where 5/6 grade students are mentored by leaders. Students meet at the leader's homes and grow together by studying God's word.

## Wednesday Night

# Purpose

From 2 years old through kindergarten the program provides a co-ed experience. In our 1st through 6th grade program, boys and girls meet separately. The *Purpose* curriculum focuses children on who God is and introduces them to the fundamental truths of His word. It also allows our teachers to develop mentoring relationships with children in their class. We have worked to integrate missions and service with what the children will be learning each month. Our Prayer is that this program will equip the next generation for God's *Purpose* in their lives.

## Summer Camp

During the month of July we offer a one week camp for children kindergarten through sixth grade.
