

**LEARN**

What stood out to you from the sermon on Sunday? What was most helpful, encouraging or challenging to your walk with Christ?

We started a new series on Sunday called “Anchored”. Why is it important that we as a church study theology or “doctrine”?

Why do Christians need to be committed to the doctrine of the Trinity?

If someone told you the Bible never uses the word “Trinity” so it’s not true, where would you show them in Scripture that the Father, Son and Spirit are all God, and are one God in three persons?

**PRACTICE**

How should the humility God displays in the Trinity affect how we think about and pursue humility in our own lives?

What does the Trinity show us about our need for community versus isolation or self-dependence?

**CHANGE**

Pastor Scott listed 4 ways an understanding of the Trinity should flesh out in our life: humility, community, submission to others and God, and joy. Which of these 4 areas do you need to grow in right now? How will you do it?
