

**LEARN**

What stood out from Sunday's sermon that was most helpful, encouraging, or challenging?

What were some of the key verses/passages Scott referenced Sunday? Read some of them together, then answer: What does it mean that "all have sinned and fallen short of the glory of God"?

How would you talk about the good news of the gospel in a way that is explicitly about God's glory?

**PRACTICE**

What are 1-2 examples of times you know you've "exchanged" God's glory for some lesser glory? How are you tempted to do that still today?

In a practical sense, what's wrong with trying to reconstruct our identity/image apart from God?

What should we do when we are "stuck in a glory rut"? Why do these 3 things need to be done in an ongoing way for every Christian?

**All-Group Prayer idea:** Call out to God together, asking his help and power in accepting the identity he gives us in Christ as being true and supreme to all other places we seek identity or glory.

**CHANGE**

In what areas of life are you tempted to take identity from someone or something other than God? How can you better train yourself to rehearse your true identity in Christ?
