LEARN - Start by reading Galatians 1:1-5

What stood out to you from the sermon on Sunday?

Why does it matter that Paul is an Apostle directly called and sent by God and not merely by men?

What are some of the risks we face as a local church if we do not cling to the same gospel Paul proclaimed?

PRACTICE

Jesus did not come first to teach but to rescue/deliver. How does this truth impact the way you think about the gospel (for yourself) and speak about the gospel (to others)?

How does the gospel of God's grace produce peace in someone's heart? What is a recent example of this happening in your own life?

What tangible benefits and blessings are spoken to the believer in these 5 verses? Which do you need to specifically believe or receive more deeply in your heart from what Paul says is true of you?

CHANGE

We have been delivered by God through Jesus in order to witness about him in this present evil age. How is that witness going in your life? Spend time praising God for his deliverance and asking him to work on your heart to represent and speak his Truth well to the world.
