LEARN - Start by reading Galatians 1:6-9

What stood out to you from the sermon on Sunday?

Why is Paul so astonished with the churches he's writing to?

Why is it true that the greatest enemies of the church are those on the inside who tamper with God's Word?

PRACTICE

Pastor Scott listed 3 ways many people desert the gospel: when we fail, when it's personal, or when there's pressure. Which one of these poses a threat to you, or which do you feel a bent towards if you're not vigilant to remain in the true gospel?

False teaching is hard to spot because it's mostly true. What kinds of lies or "almost truths" do we need to be aware of so we can remain steadfast in the truth?

How does a false gospel choke the life out of a church? Conversely, how does the true gospel produce life in a church?

CHANGE

How is the gospel continuing to change you? What is one way you want the truths of the gospel of God's grace in Christ to change how you think and live?
