

LEARN

Read Galatians 2:15-21. What stands out from the text and what stood out from the sermon?

What does it mean to be justified?

Why is Paul so adamant that works cannot save us? What kinds of things are at stake if we get this wrong?

PRACTICE

How should justification, by faith alone in Christ alone, change the way you view your sin?

What are ways you've found yourself still seeking God's approval through works, even as a Christian? What truths do you need to get deeper into your heart from this passage in those times?

Reread verse 20. What are some evidences that a claim like this is really true (and not merely words) in someone's life? How have you seen these to be true in your own life?

CHANGE

Is verse 20 the way you think about your life as a Christian? If not, why not? Spend time in prayer asking God to make this a declaration from your heart about how to view your life.
