

**LEARN**

Read Galatians 3:1-5 together. What stood out to you from the text or sermon that was helpful, challenging, or convicting?

What was the church in Galatia doing that Paul was so upset about? In your own words, why was it such a big deal?

What are the differences between a Christian who is trying to mature in the faith through reliance on the Holy Spirit and one who is trying to mature through the flesh?

**PRACTICE**

In what ways do you resonate with the issue the Galatian Christians had? What is an example of a time you have relied on your own work instead of the Holy Spirit to grow in Christlikeness?

How have you experienced the power of the cross of Christ in an ongoing way as a Christian? Spend time encouraging each other as a group with how the work of Christ is enough.

What are examples of “gospel supplements” Christians can get bewitched by, thinking they are necessary to being a real/true Christian? Have you struggled with any personally?

**CHANGE**

How do you personally rely on the ongoing work of the Holy Spirit to grow as a disciple of Jesus? Are there areas you are trying to go it alone, in your flesh?
