

LEARN

Read Galatians 3:15-24 together. What stands out to you from the text or was helpful/challenging from the sermon on Sunday?

Why is it so significant that the law does not annul (change/cancel) God's covenant with Abraham?

What does it mean that the Law was added because of (or "on account of") transgressions in v. 19?

Which of the 4 truths below are most instructive to you to understand the Law?

1. The Law never changed how someone is justified before God (v. 15-18)
2. The Law's purpose is to expose and specify sin (v. 19-20)
3. The Law served God by imprisoning sinners in sin (v. 21-24a)
4. The Law magnifies the beauty of justification by faith (v. 24b)

PRACTICE

How does the imagery of being a prisoner to sin before faith in Christ help you understand the gospel?

When you are struggling, are you most often struggling with the notion of God justifying you, or of your justification before God being by faith alone?

CHANGE

Is there a specific way your heart tends to reject either the idea of being fully justified by God apart from works, or to reject that justification comes only on the basis of faith alone in Jesus?
