

LEARN

Read Galatians 5:19-26 together. What stands out to you from the passage, and what was encouraging/challenging from the sermon on Sunday?

How are the works of the flesh grouped together? What does this tell you about where the works of the flesh come out in people's lives?

Why is it valuable to keep in mind that the "fruit" of the Spirit is treated as a singular by Paul?

PRACTICE

What is the kind of peace the Spirit produces in our lives? Assessing your own life for a moment, how is that peace being expressed or not expressed in the hard circumstances of your life?

No one embodies the entire list from v. 22-23 in equal measure at all times. When you see any of these as "off" in your life, what should you do?

What does it actually look like in your life to "crucify the flesh"? Share personally about how God has changed your passions and desires away from works of the flesh and toward glorifying God.

CHANGE

Spend 1-2 minutes silently surveying both lists in the passage. Then, answer this together: In what ways or areas of life do you sense the works of the flesh still present? What does God want you to do about it? Spend at least 10 minutes in prayer as a men's/women's group asking God to reveal sin in your heart and to crucify it by his power.
