

LEARN

Read Galatians 6:1-5 together. What stands out from the text and what was encouraging/challenging from the sermon on Sunday?

What does verse 1 tell us about how Christians should approach one another regarding issues of sin in their life?

What is the difference between a burden and a load? Why is it important that we make this distinction according to the text?

PRACTICE

How are Christians uniquely equipped by God to:

1. Restore a Christian caught in a transgression (sin)?
2. Bear one another's burdens?
3. Bear their own load?

In order for people to help bear your burdens, they need to know the burdens. What are some of the burdens being faced or dealt with in our group right now? Let's take all the time needed tonight to be made aware of them and then pray for one another.

CHANGE

Have you at times been indifferent to the burdens of other Christians? Why does that happen in your heart? After spending some time discussing this, come to the Lord together asking for a changed heart and renewed eagerness to "enter in" and bear one another's burdens.
