

Leaders, please mention to your group that there are important serving opportunities on Sundays where more people are needed. Specifically, production/technology, set up / tear down, and Kids ministry are areas of need. People can open the app (which they should download if they don't have!), tap "connect" then tap "serve at Harvest" to get started. Thanks!

### **LEARN**

Read Galatians 6:6-10 together. What stands out to you from the text, and what was helpful/encouraging from the sermon on Sunday?

What is the heart behind Paul saying what he does in verse 6?

(This is not merely about "payment" but a mutual sharing, where the teacher shares God's Word and the church shares all good things with them. Give generously to free up those who labor for the gospel on your behalf)

Why is Paul's metaphor for sowing and reaping such an accurate and important picture for us to understand when it comes to sowing to the flesh and sowing to the Spirit?

(The 1-to-1 ratio of sowing and reaping is an assumed thing in farming... it should be in regards to our own lives too. God's promise is both in life and eternity, the life we sow in either direction will bear fruit that will become evident to all)

### **PRACTICE**

In what area of your life have you witnessed sowing to the flesh to reap "corruption" in your life? How has God been gracious to change you and forgive you?

(Testimony time! How have you seen sin corrupt your mind, heart, relationships?)

How do you personally sow to the Spirit? What does it tangibly look like?

(There is not just one right answer, but the goal is to encourage intentional time in personal worship, prayer, repentance, reading/studying and obeying the Word)

How would you assess your own persistence in doing good these days? When we feel weary, what should we do?

(Another reason we need community is to bear each other up when we're weary. Always take our anxiety and burdens to the Lord, and stay committed to keep going with the Lord)

### **CHANGE**

Re-read Galatians 6:7-8 again. Where are you most prone to sow to the flesh? What are you going to do about it this week to replace it with sowing to the Spirit?

(The goal is to think about sinful attitudes, behaviors, habits, and thoughts need to be repented of and crucified. But we're not only "stopping"... we're replacing one sowing with another. Encourage accountability in worship, the Word and prayer as a group of men/women and come back to this next week)
