

LEARN

Read Galatians 6:6-10 together. What stands out to you from the text, and what was helpful/encouraging from the sermon on Sunday?

What is the heart behind Paul saying what he does in verse 6?

Why is Paul's metaphor for sowing and reaping such an accurate and important picture for us to understand when it comes to sowing to the flesh and sowing to the Spirit?

PRACTICE

In what area of your life have you witnessed sowing to the flesh to reap "corruption" in your life? How has God been gracious to change you and forgive you?

How do you personally sow to the Spirit? What does it tangibly look like?

How would you assess your own persistence in doing good these days? When we feel weary, what should we do?

CHANGE

Re-read Galatians 6:7-8 again. Where are you most prone to sow to the flesh? What are you going to do about it this week to replace it with sowing to the Spirit?
