

Dear Parent (s):

Occasionally the preschool staff takes pictures of or videotapes the children. These pictures are used to publicize and promote facility activities and/or events. Pictures may appear in local newspapers, our brochures, or on television. No additional notice may be given of picture-taking sessions.

A form is attached for parental approval and/or release for photographs. Please sign and date the attached form and return it immediately. No photos or video will be taken of children whose parents do not grant permission.

Sincerely yours,
