Each one of us has been given unique gifts and abilities from our Heavenly Father, and discovering how we may use these to strengthen one another and our congregation is the goal of becoming a more vibrant church.

**Come and discover each other's particular gifts and abilities during a relaxed time of fellowship!
Dinner is provided.**

Small Group

The Cove Point West small group is beginning a study in the Psalms. We will focus on the several different forms of prayer in the Psalms as an encouragement to deepen our own prayer lives.
