Sanctity of Human Life Sunday

Make a difference in Southern Maryland
January 20th

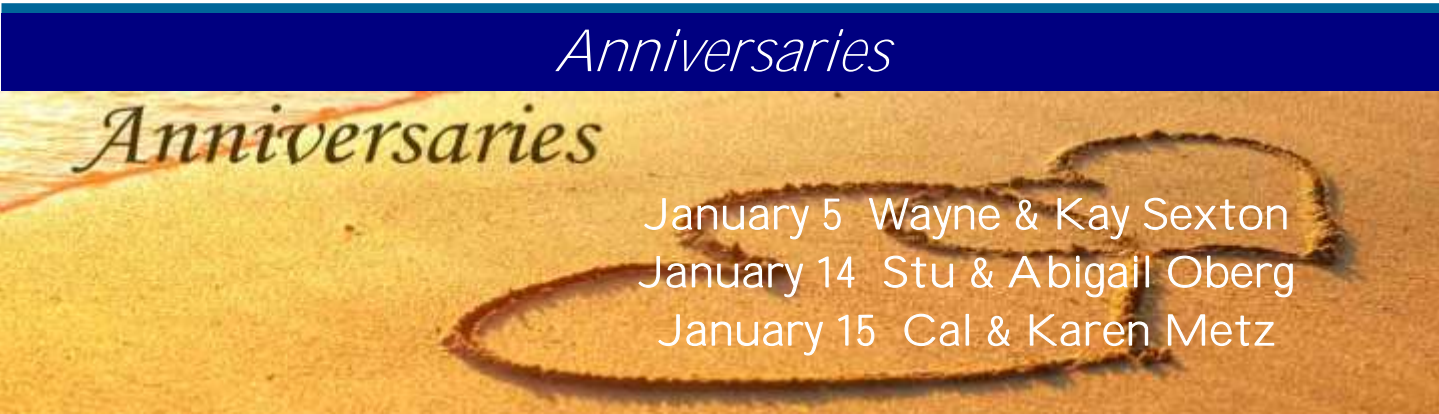

In the nation, Advocates estimate that since 1973 (Roe v. Wade), more than 60 million legal abortions have occurred. That's more lives than the combined population of 19 states. Nationally, more than 1 in 5 pregnancies (excluding miscarriages) end in abortion. 1 in 4 U.S. women will have an abortion by age 45. Nationwide, 12% of abortions were performed in adolescents (17 years of age and younger) and 61% on women in their 20s.....(taken from CareNet's Sanctity of Human Life Sunday 2019 Fact Sheet)
