Sanctity of Human Life Sunday, Jan 20th.

Did you know?...In the nation, Advocates estimate that since 1973 (Roe v. Wade), more than 60 million legal abortions have occurred? That's more lives than the combined population of 19 states. Nationally, more than 1 in 5 pregnancies (excluding miscarriages) end in abortion. 1 in 4 U.S. women will have an abortion by age 45. Nationwide, 12% of abortions were performed in adolescents (17 years of age and younger) and 61% on women in their 20s.....(taken from CareNet's Sanctity of Human Life Sunday 2019 Fact Sheet)

Small Group

The Cove Point West small group is beginning a study in the Psalms. We will focus on the several different forms of prayer in the Psalms as an encouragement to deepen our own prayer lives. There is room for more folks to join us on Wednesday evenings at 7:15. Please check the church website or contact Scott or Corrie Howe for more information.

Caregiver's Support Group

Harvest is kicking off a Caregiver's Support Group on **MONDAY, JANUARY 21, 2019**, from 7-8:30 pm in the sanctuary.

This group will provide a place where those who care for aging parents can share the heartaches and delights that come with the task.

We'll be listening to "*Parenting Parents*," a 45 minute talk by Dr. Joshua Uy, a Christian physician specializing in geriatric medicine and an Associate Professor of Clinical Medicine at the University of Pennsylvania.

After listening to the talk we'll explore the next steps together.

Light refreshments will be served. **ALL ARE WELCOME!**
